Here, my first
bra gift for you~

I don't
need it!!!!

Thanks for getting
on the train with me Firefly.
Sneaking in as a girl, what
is even Elio thinking.

Do, Don't
mention it.

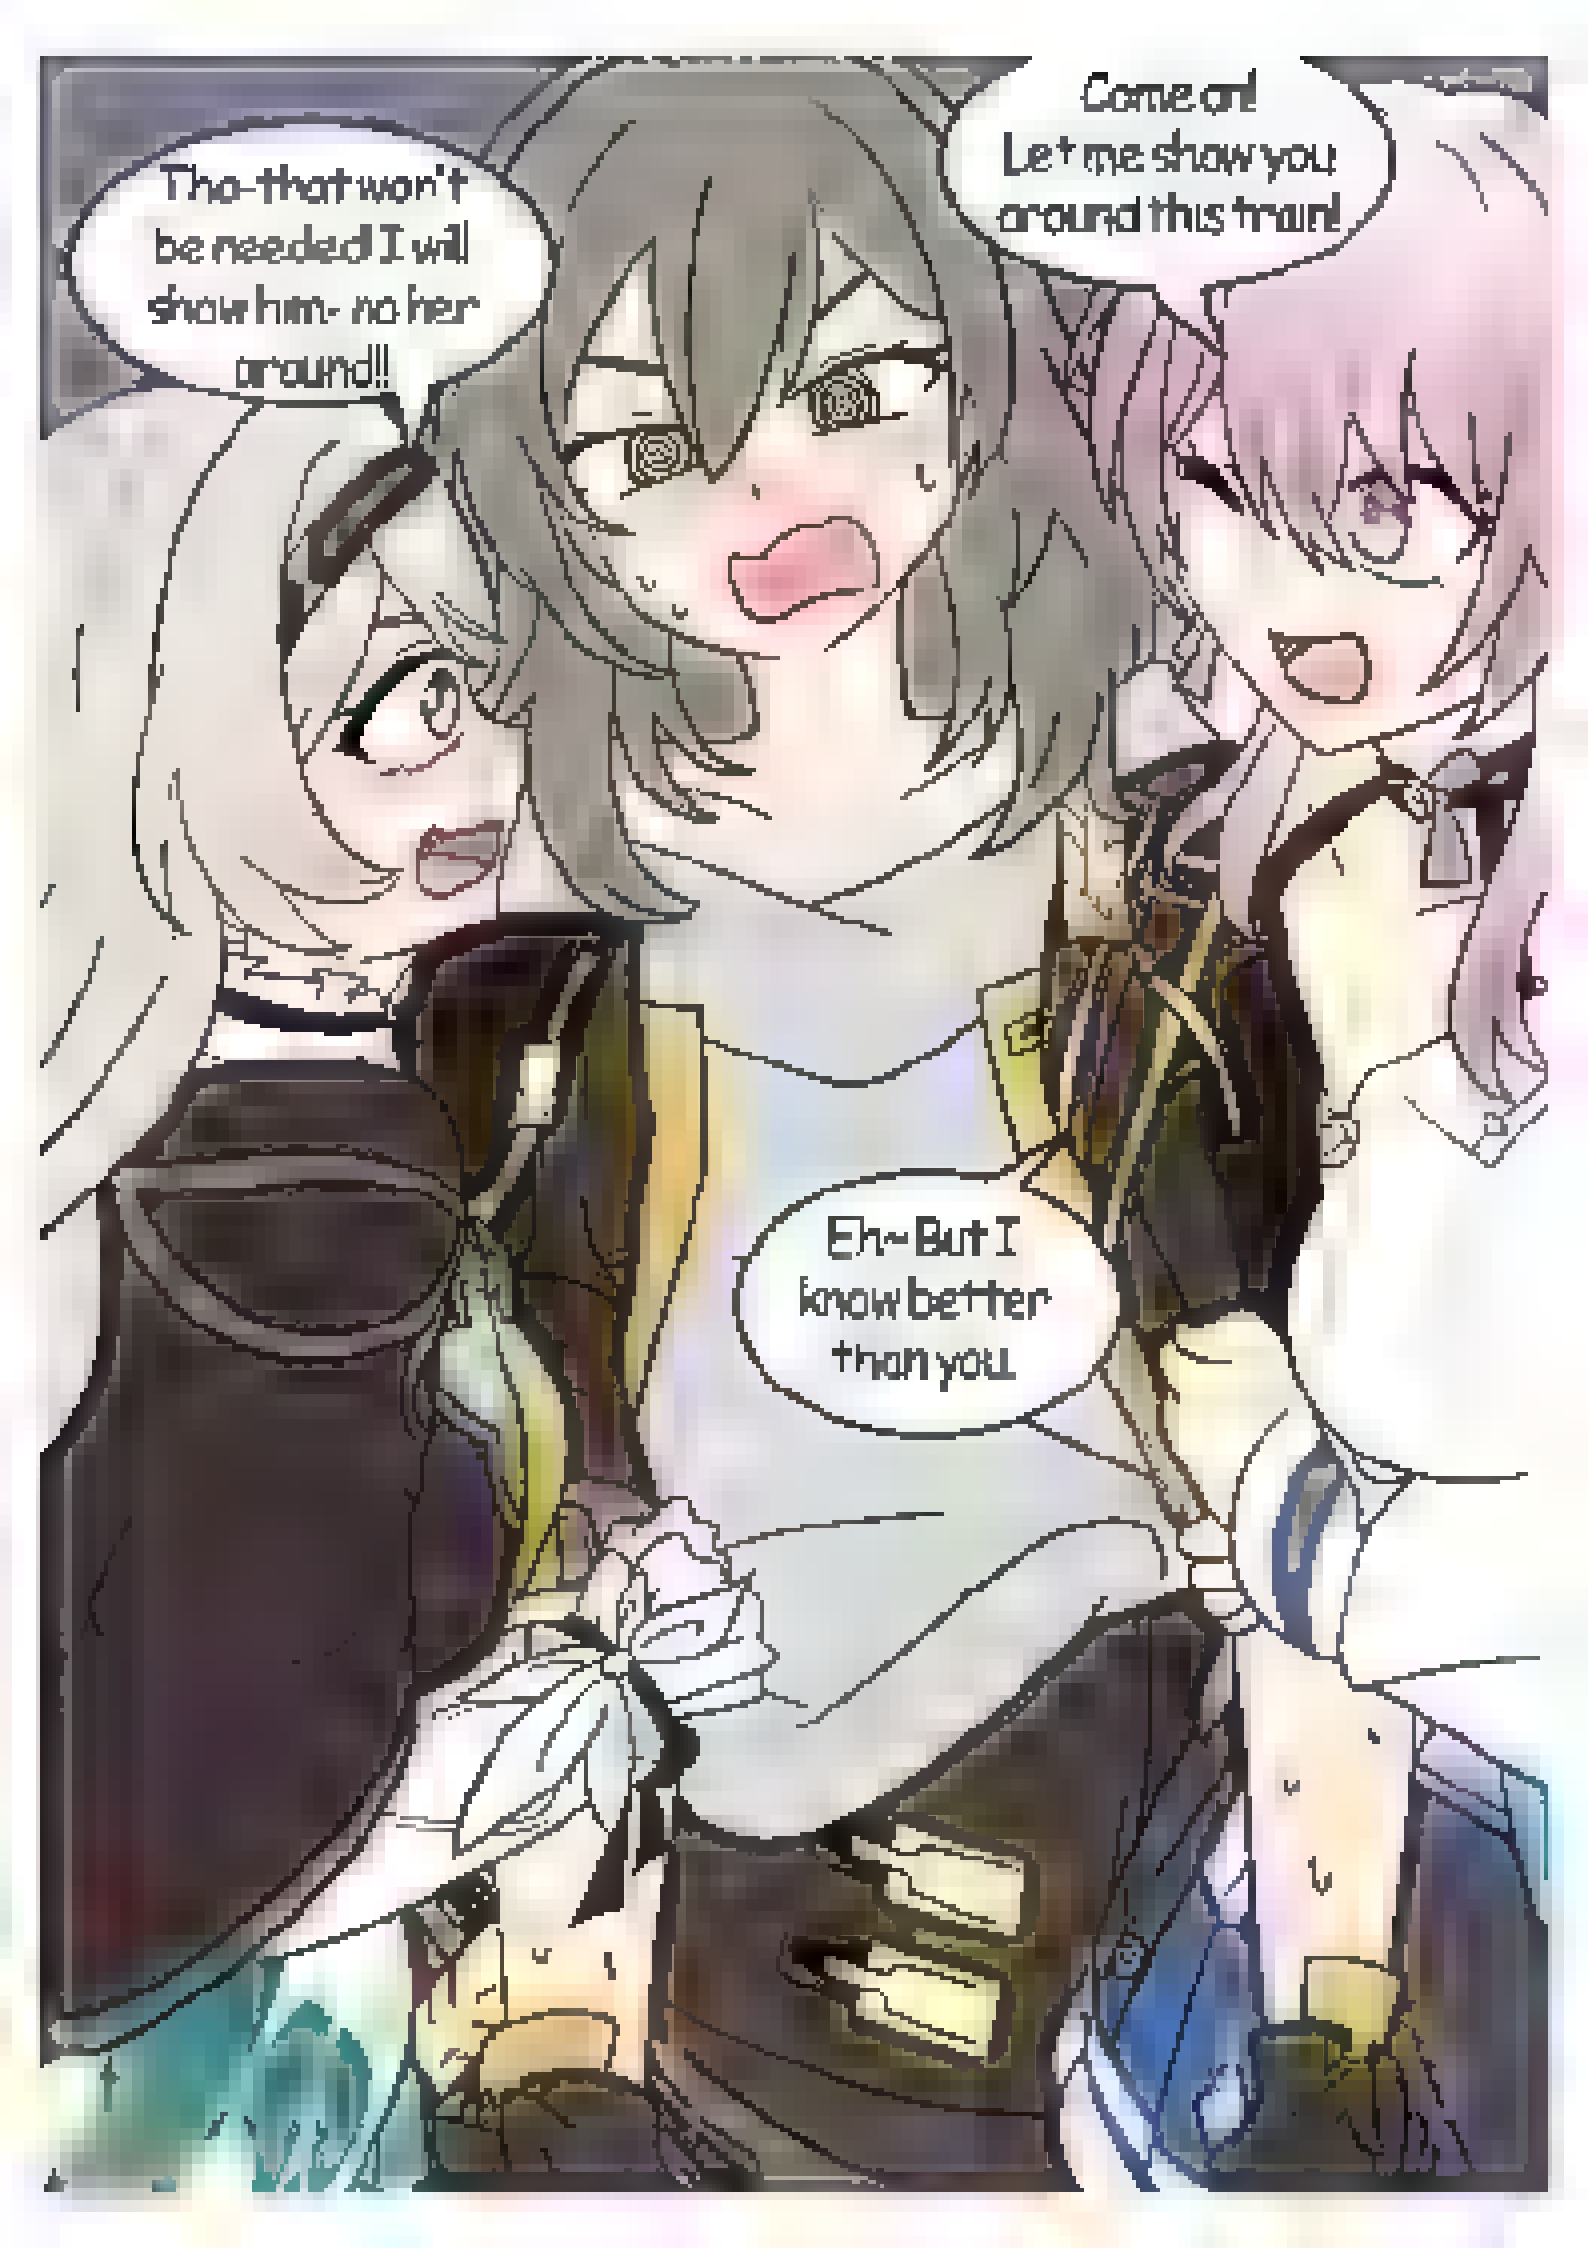

I thought Silver Wolf-san
was just joking. Why did Caelus
turned into a girl?!! Wait.. do I have
to share a room with him from now on?!!
Even a bath?? But he's a girl now
Err?????

Eio said stay on the train for a while using 'Stelle' as your name. Call me anytime if you need anything.

Hi I'm Mar 7th, nice to meet you~ So your name is Stelle? What a cute name~★

Yeah... nice to meet you.

A manga-style illustration of three young women in a train car. The woman on the left has long grey hair and a black headband, looking surprised. The woman in the center has short grey hair and a white headband, looking determined with a slight blush. The woman on the right has short pink hair and a white headband, looking excited. They are all wearing dark, high-collared uniforms with yellow accents. The background shows the interior of a train car with windows and seats.

Tho-that won't
be needed I will
show him- no her
around!!

Come on!
Let me show you
around this train!

Eh~ But I
know better
than you

It must have been
hard time traveling
with that woman...

What? No.
I... am.

What did you say
to her (Kafka)?

Whew.
I feel relieved
being with you,
Mr Yang.

This is boy's

I received a report
from Firefly.. you seemed

What are you
doing in my bed?!!

Awww it's hard to

I'm also delighted
that you always

Stop playing around
and get out from my bed!

Oh come on Stelle,
I can be anyone you
want you know?

Sparkle?

Hi Stelle~
Or maybe I should
call you 'Caerus'?

How
did you-!!

Well, we are
both actresses aren't
we? FuFu, I have seen
some male acting as
female role but
you are
different!♥
